Commanding the H. E. S. S. "Seminole"
Senior Naval Officer, Calcutta,
To, The Chief Secretary to Government
Fort St. George,

Sir,

I have the honor to report for the
information of the Right Honourable the
Governor in Council that in obedience
with the order of the Commander in Chief
of Indian Navy, I have taken the
command of the H. E. S. S. "Seminole" on
the 19th Instant and placed Lieutenant
R. H. Shadling M. in Command of the
"Comandante" to which Vessel he had
been duly appointed.

I also beg to report that Lieut. Holland M.
arrived in Calcutta and assumed the
command ~~the Command~~ of the

"Dalhousie" on the 14th Instant on
which

which day Captain Saitt and the former Officers &c were all discharged and the three Engineers reentered on the books after being paid up to that date together with all parties on board by Captain Saitt with Cash received from the Comandant.

2. The Officers and Seamen sent round from Bombay were at once appointed to the Dalhousie - with the exception of twenty two men - for whom there was not sufficient accommodation and I have thereupon substituted the native crew as per margin which I have authorised Lieut. Hellard to engage at the rates against their names being the same as paid on board this Vessel - and to which I would solicit the Government's approval.

3. I have fully instructed Lieut. Stradling and Hellard and regarding the work still

in hand to render the Vessel efficient but as the "Dalhousie" is under orders from the Government of India to proceed to Rangoon immediately for artillery horses the fitting up of the store-rooms and tanks is necessarily delayed till her return to Calcutta. I beg to add that in consequence of the sudden illness of Captain Saitt I fear that officer will be unable to furnish complete accounts of the provisions - consumed and returned but he has delivered the Vessel and stores to Lieutenant Hellards charge all correct lists of which I shall hasten to submit for the consideration of Government on my return by which time I trust the whole may be ready and Captain Saitt settled with

I have the honor to be

Servant
