To J. Lushington Esquire
Civil Auditor dated

Sir 17 February 1857 No. 23/13

With reference to your letter dated 28th November 1856 I have the honor to enclose copy of a letter from the Secretary to the Government of India in the Military Department to the address of this Government dated 28th Ultimo, and the orders of Government passed thereon, and request you will be good enough to inform me, whether you are prepared to furnish my separate Rolls on account of the War or Donations Batta due to the Officers and men of Her Majesty's Ships "Spartan" and "Bithorn," as the names of those Vessels do not appear in the Rolls furnished with your letters dated 26th and 30th August 1856.

2. You stated in the 2^d para of your letter that no Lists of the Officers and Crew of the said Vessels were received by you

* dated 10th Feb. 1857

you, I request you will inform me by whom
such Lists should have been sent to you, and
why the same were not furnished or called
for, and whether the omission of those Vessels
and their Officers and Men in the Returns
already furnished by you will not tend
to prevent payments of the sums by the
Honorable Court of Directors to the parties
entitled to the same.

I have the honor to be
Sir
Your most obedient servant

To
G. L. Pendergast Esquire
Accountant General

Dated 26th Feb^y 1857

Sir
In reply to your letter of
the 17th Instant, I have the honor to inform you
that separate Rolls on account of Burmah
batta to the Officers and Crews of H. M. S.
"Spartan"

2.
"Spartan" and "Bittern" will be prepared
by this Office, if required to do so, on correct
Crew lists of those Vessels being furnished
to it, and on the fact of their having taken
part in the Burmah Expedition being pro-
perly certified.

2. With reference to the 2^d para
of the above letter, I beg to observe that the
lists of the vessels for which Batta rolls have
been furnished, were for the most part
9 out of 10 received from the Agents pre-
-ferring claims for Burmah Batta and
those of the "Spartan" and "Bittern" would
have been expected from the same quarter,
and the reason of their not having been called
for, is that this Office does not possess any
information as to the names of the Vessels which
were employed on the occasion. The omission
of these Vessels from the Rolls furnished
by this Office will I presume, prevent
payment by the Honorable Court of the sums
due to their Officers and Crews, since (as ap-
-pears by the enclosure of your letter) they
were not included in any of the Remittance
rolls furnished from Bengal.

to Government

Sir dated 14 March 1857 N^o 309

With reference to the Orders of
Government dated 10th Ultimo N^o 63 passed
in a letter from the Secretary to the Govern-
ment of India in the Military Department
dated 28th January last, N^o 993, I have the
honor to enclose copy of a letter dated 17th
Ultimo N^o 2313 addressed by me to the Civil
Auditor and of his reply thereto of the 26th Idem,
with a view that it may be suggested to the
Government of India to adopt the necessary
measures, for forwarding to the Honorable
Court of Directors, if requisite, the Original
Lists shewing the names of the Officers and
Crew of Her Majesty's Ships "Spartan" and
"Bittern," as the names of those Vessels were
omitted in the Rolls furnished by the Civil
Auditor here, shewing the amounts of Donations
Batta which were unclaimed and unpaid.
This omission was the consequence as he reported

9th 1857
N^o 1109

of his not having received the Lists on
account of those Vessels, at the time such
Rolls were prepared by him. but it may form
an impediment to the payment by the Honble
Court of the sums due to the Officers and Crews.

I have the honor to be,

Sir,

Your most obedient servant.
