Report that a letter from the
Indian Navy, 11th September,
has been received by the
Government to be sent from Masar
to the Government agents that a
person be forwarded there in the
ship expected from Masar
by the next mail steamer

had been appointed.

The Marine Board were
requested on the 4th Decem.
her last to communicate
these instructions to Mr.
Chippendale, and it was
presumed that he would
ere this have joined the
Indian Navy. The Gov.
are of opinion that Mr.
Chippendale must make
his own arrangements for
proceeding to Bombay,
and that they are pre-
cluded under the Home
Court's orders from pro-
viding him a passage
at the public expense.
