Madras Marine Board Office
26th December 1856.

From

J. I. Franklin Esq^{re}
Secretary Marine Board,

To

J. Pycroft Esq^{re}
Chief Secretary to Government
Fort Saint George.

Sir,

In compliance with the order of Government of the 13th March last N^o 80, directing the Marine Board to submit in the form of a Regulation for the confirmation of the Government of India the proposal for the introduction at the port of Masulipatam a graduated scale of boat hire, I have the honor by their desire to forward the accompanying notice which embodies the alteration recommended by Captain Bidew.

2 The Board desire me, however, to notice at the same time that the Act 9 of 1846 does not seem to require so high an alteration as the one in contemplation being submitted for higher sanction than the Government of this Presidency. In conformity with that

on the subject of...

that Act, certain Rules and Regulations
were promulgated under date the 23^d April
1847 for the better management of the boats ^{used}
at the out-ports; and Section XIII of these Rules
provided for the rate of hire being determined
by the local authorities. It would appear
therefore hardly necessary that the introduction
of this graduated scale should require the
sanction of the Supreme Government
before it is brought into force.

I have the honor to be,
Sir,

Maheas
