Ditto 7th January 1856
No 8-

With reference to the order of Government marginally noted, I have the honor by desire of the Marine Board to submit an application in the prescribed Tabular form for the establishment necessary for attendance on the Lantern to be exhibited on the Flag Staff at Masulipatam.

2 In this estimate the Board have omitted the Light house establishment of Point Divi for this cannot be considered as belonging to the port of Masulipatam, although the Master Attendant at that port exercises a general supervision over it, as it is not far removed from his station. The

light

light is however a Coast light for the
convenience of shipping navigating along
the Coasts of Coromandel, and not
exclusively for vessels entering the port of
Masculipatam.

The R. H. the Govern-
or in Council resolves
to recommend for the
sanction of the Govd of
India, the Establishment
required for attendance
on the Lanthorn to be
exhibited on the Flag.
Staff at Basulpatam
at a monthly charge of Rs. 24000
and directs that an
application in the pre-
scribed form, with the
following grounds
of proposition, be sub-
mitted to that Govern-
ment

Government.

Copy to Marine Board. Decr 30th

Grounds of Proposition

Vide No XIX of the
Madras Selections - On
the Harbours & Ports of
the Northern Circars
pages 12 to 14.

Among the improve-
ments suggested by Capt.
Piden, the Master At-
tendant at Madras, to
render the Port of Madras
a more eligible
rendezvous for European
Shipping, it was proposed
to exhibit a dark red light
from the lower Masthead
of the Flagstaff at that
place to guide Vessels to
the Anchorage as the
Light on Point Divy could
not be seen from Ships
coming

coming from the North-
ward. The Govd directed
that this measure, as
well as the laying down
of Buoys to denote the
inner Roadstead, should
be adopted at once un-
der the orders of the Ma-
rine Board, if the local
Authorities concurred
with Capt. Piden. The
Board have now sub-
mitted an application
forwarded by the Collec-
tor of Madraspatnam for
the requisite Establish-
ment of one Sindal and
two Lascars to attend
on the Lanthorn to be
exhibited on the Flag-
staff, at a cost of Ru-
pees 24 per month -
which this Govd recom-
mends for the sanction
of the Govd of India. It
should be stated that
the

of their Marine Despatch
dated 12 November 1823
of 1850

the Honble the Court of
Directors have in pursu-
^x
to 11^x approved of these &
other improvements to
the Port, which they ob-
-serve are indispensably
necessary and should
be promptly executed.
