I have the honor to bring to your notice, that on the 8th instant, abstracts for the amount of table money due to the Commanders and Warrant Officers' messes, of the "Zenobia", were prepared by the Purser of the vessel, but returned by the Marine Board at Madras, in consequence of the charges having been made at eight and three Rupees per diem, they having stated, that they read the new rule for the allowance of table money in force with the Bengal Marine, also applicable to the Indian Navy. I therefore have to request that the necessary instructions may be sent to the authorities at that Presidency, in order that the abstracts may be passed. At the same time they to state that Commander Borthon Esq. late in command of the Honorable Company's Steam Vessel "Berenice", wrote
