

N^o 981.

From
C. I. Franklin Esq^r
Secretary Marine Board.

To
J. Pyecraft Esq^r
Chief Secretary to Government
Fort Saint George.
Dated 11-9-81

1 With reference to the Board's
letter of the 11th ultimo N^o 639, I have the
honor by their desire to forward the annexed
Statement of the total expense incurred in
supplying patent fuel to the Bombay Government.

2 It will be noticed that a
large number of bags was used for this
shipment. These were not only required
for taking off the fuel to the ships, but it
was necessary, in order to avoid loss from
further breakage, that the broken fuel
should be retained in bags instead of being
started into the hold.

I have the honor to be,

Sir,
Your most obedient servant,

C. I. Franklin

Secretary.
