Chief Secretary to Government

dated 7 March 1857 N^o 1011

Sir,

I have the honor by desire of the Marine Board to inform you that having been obliged to furnish their office with two pairs of table shades they inserted their cost in a bill for contingent charges for December and January last. The Civil Auditor however observes that he does not feel himself authorized to pass the charge without the sanction of Government which I am now desirous to solicit.

2. These articles were absolutely required to enable the department to get through the late press of business, and have been in daily use since their purchase.

3. Annexed is an extract of the bill to which the sanction of Government
