### DIARY.

| No. | From and to                                             | Date.      | Subject.                                                                                                                                                                                   |
|-----|---------------------------------------------------------|------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1   | From the Collector of Vizagapatam.                      | 16th Decr. | Reports that the Rajah of Vizianagrum at some sacrifice of personal feeling has given up a small plot of Ground at Bimlipatam pointed out as the site for a Flag Staff.                    |
| 2   | Order thereon.....                                      | 9th Jany.  | Authorize the Collector to convey to the Rajah the best thanks of Government for the liberal concession he has made for the public benefit.                                                |
| 3   | From the Civil Auditor....                              | 24th Decr. | Reports on the enquiries made by Captain Biden, Master Attendant, regarding leave of absence on Medical Certificate, and retiring Pension.                                                 |
| 4   | Order thereon.....                                      | 11th Jany. | Call for further information in respect to certain points noticed, relating to Captain Biden's title to Pension.                                                                           |
| 5   | From the Director General, Medical Department.          | 7th Jany.  | Transmits the Medical Certificates granted to Lieutenant DeBelin, Indian Navy.                                                                                                             |
| 6   | To the Government of Bombay.                            | 11th Jany. | Transmit the Certificate for communication to the Commander-in-Chief of the Indian Navy.                                                                                                   |
| 7   | To D. Elliott, Esq., Legislative Councillor for Madras. | 11th Jany. | Forward a letter from the Marine Board on the subject of the 'Port Dues' Bill; and promise to despatch the views of Government on the subject of the correspondence by Electric Telegraph. |
| 8   | From Commodore R. B. Watson, H. M. Ship "Chesapeake."   | 9th Jany.  | Reports that he is obliged to proceed direct to Calcutta from Trincomalee; and has in consequence sent the Screw Iron Vessel 'Sparrow Hawk' to Madras.                                     |
| 9   | To the same.....                                        | 11th Jany. | Intimate that there is no occasion for detaining the 'Sparrow Hawk' at Madras and have therefore directed her Commander to take her to Calcutta.                                           |

### CONSULTATION.

|    |                                                              |            |                                                                                                                                                                                             |
|----|--------------------------------------------------------------|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10 | Extract Minutes Consultation in the Public Works Department. | 21st Decr. | Refer, for consideration, Plans and Estimate for the erection of Sheds for the Stowage of Coal and Patent Fuel.                                                                             |
| 11 | Order thereon.....                                           | 12th Jany. | Approve of the proposed Sheds; and desire that application be made to the Government of India from the Public Works Department, for their sanction for constructing the Coal Sheds at once. |
