No. 20. From J. T. MACLAGAN, Esq., Acting Secretary, Marine Board ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 9th March 1858, No. 1009.

SIR,

I have the honor by desire of the Marine Board to submit the accompanying Bill amounting to Rupees (24) twenty four, for two Charts on a large scale of the Pacific Ocean and, in recommending it for sanction, to explain that they were supplied to Commodore deWullestr of the Austrian Frigate "Novara" at his express request. None being in Store, inquiries were made among the Shipping, and these were purchased from the Commander of the "Salsette" at the price named. The Commodore begged to be allowed to reimburse to the Government the sum paid for them, but the Board bearing in mind the letter he bore from the Honorable Court of Directors requesting that all possible assistance and attention should be shewn to him, solicited their acceptance which with many thanks he complied with.

No. 21. ORDER THEREON, No. 120 ; dated 18th March 1858.

Government sanction the Bill for Rupees (24) twenty four, being the price of the two Charts supplied to the Commodore of the Austrian Frigate "Novara."
