Fort Saint George, Marine Consultation, 9th April 1858.

No. 9. From J. T. MACLAGAN, Esq., Acting Secretary Marine Board; to the Chief Secretary to Government, Fort Saint George, dated 29th March 1858, No. 1392.

SIR,

I have the honor by desire of the Marine Board to forward, for submission to Government, a letter from the Acting Collector of Tanjore, recommending that the Rules for the better management of Boats at Out-Ports, dated 23rd April 1847, should be extended to the Minor Ports in that District.

2. These Rules were, by order of Government, No. 133 of 23rd June 1854, extended to the Ports mentioned in the margin, and the Collector states that that measure has been followed by unquestionable advantage. Under these circumstances and as no increase to the Establishment is deemed necessary, the Board recommend that the request of the Collector should be complied with, and I am therefore instructed to request that will obtain the sanction of Government for the extension of the Rules to the Ports of Ammahpettah, Cuttoomavady, Gopalpatam, Codiempoliem, Valaugunny, and Kodycaray.

From H. D. PHILLIPS, Esq., Acting Collector of Tanjore; to J. J. FRANKLIN, Esq., Secretary to the Marine Board, Fort Saint George, dated Vullum, 8th February 1858, No. 101.

SIR,

To Marine Board,	27th May	1847.	Adverting to the correspondence noted in the margin; I have the honor to submit, for the consideration of the Board, the necessity of extending the operation of the Rule for the better management of Trip Boats to the minor Ports* of this District.

2. The objection which the Board expressed to previous requests by the Collector

was chiefly directed to the want of a Registrar or Justice of the Peace at the Ports where the Rules were to be introduced. But this want has not barred the introduction of the Rules at Trimulvassel, Topootoray, Adrampatam and Moottoopettah, and the advantages which have followed this course are unquestionable.

3. These Subordinate Ports are all under the supervision of the Sea Custom Peishcar of Major Ports where the Rules are at present in force. There will therefore be no necessity to add to the strength of the Department in any way. It will be found, I think, highly advantageous, that one uniform system should prevail at all places where shipment and landing of Goods are carried on. I would therefore strongly press, on the consideration of the Board, the advisability of extending the action of the Government Rules to the Subordinate Ports in the District.

No. 10. ORDER THEREON, No. 143; dated 9th April 1858.

The Governor in Council grants authority for introducing at the Ports of Ammahpettah, Cuttoomavady, Gopalpatam, Codiempoliem, Valaugunny and Kodycaray, in the District of Tanjore, the Rules for the better management of Boats at Out-ports, dated 23rd April 1847, and directs that the same be notified in the Fort Saint George Gazette, in eight successive issues.

Acting Secretary to Government.
