Fort Saint George, Marine Consultation, 11th May 1858.

No. 8. From J. T. MACLAGAN, Esq., Acting Secretary Marine Board; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 22nd April 1858, No. 1734.

SIR,

With reference to order of Government marginally noted, I have the honor by desire of the Marine Board to acquaint you that they have caused enquiries to be made at the different Shops in Madras and find that no copies of the Code of Marine Signals, and the British Mercantile Navy List are to be procured here. I am therefore instructed to request that the Right Honorable the Governor in Council would be pleased to move the Honorable Court of Directors to send a supply of 60 copies of each Work which the Board may supply to Out-ports and sell at such price as may be fixed by the Honorable Court to the Commanders of Vessels engaged for the Transport of Troops, Stores, or to such other Commanders of Vessels as may apply for them; but if permitted by the Government the Board would readily arrange for a supply of the above Works being obtained direct from England, and thereby obviate the long delay so usual by the supply being made through the Honorable Court of Directors.

No. 9. ORDER THEREON, No. 171; dated 7th May 1858.

Ordered that application be made to the Honorable the Court of Directors to send out, by an early opportunity, 60 copies of each of the Works referred to for the purpose stated by the Marine Board.

(Signed) T. PYCROFT,
Chief Secretary.

Ms 171

Ordered that applica-
tion be made to the Knicker the
Court of Directors to send out by
an early opportunity 10 copies
of each of the works referred to
for the purpose stated by the
Marine Board.
