Fort Saint George, Marine Consultation, 8th June 1858.

No. 12. From J. T. MACLAGAN, Esq., Acting Secretary Marine Board; to T. PYCROFT Esq., Chief Secretary to Government, Fort Saint George, dated 29th May 1858, No. 2198.

SIR,

I have the honor by desire of the Marine Board to forward, for submission to the Right Honorable the Governor in Council, a letter\* from the Collector of Canara representing that the Light House Establishment has hitherto been charged against the Sea Customs Department and submitting that it ought to form a charge against the Marine Department. I am instructed to state that the Board agree with this view, and to request that you will have the goodness to obtain the sanction of Government for the amount (Rupees eleven per mensem) being debited accordingly.

From W. FISHER, Esq., Collector of Canara; to the Secretary to the Marine Board, dated 19th May 1858.

SIR,

Sanctioned on the 17th October 1848 and 18th July 1850. I have the honor to bring to the notice of the Marine Board that the Light House Establishment at this Port, consisting of 2 Lascars on 11 Rupees a month, was originally sanctioned in the Sea Custom Department of the Port, and has been hitherto borne in the Accoutns of the same. This seems to have been irregular, as properly speaking it ought to have formed a charge against the Marine Department, and, under the provisions of the Circular\* recently issued by the Marine Board, it seems to be imperative that an alteration should be made from the 1st of the current month. I beg therefore to request that the Marine Board be pleased to obtain for me the sanction of Government for debiting the pay of the two Lascars above referred to, against the Marine Department, corresponding reduction appearing of course in the Custom Department.

No. 13. ORDER THEREON, No. 218; dated 8th June 1858.

The Government authorize the cost of the Light House Establishment at Mangalore being debited in future to the Marine instead of, as heretofore, to the Sea Customs Department.

(Signed) T. PYCROFT,  
Chief Secretary.

and submitting that thought to you as always  
opposed the *Commons* Department. I was  
instructed to state that the Board agree with  
this view, and to report that you will have  
the privilege to deliver the doctrine of Government  
for the present (By the Board, for the present)  
being detailed accordingly.
