SIR,

With reference to that portion of the order of Government conveyed in Extract Minutes Consultation of the 27th May 1858, No. 199, directing that the services of the Signal Serjeant and his Establishment employed hitherto for the Flagstaff on the Dolphin's Nose shall be dispensed with, I have the honor by desire of the Marine Board to acquaint you that the Collector of Vizagapatam has represented that they are needed for the Flagstaff in the Town, which is the one now in use for signaling to the Shipping. I am therefore to solicit that such portion of the order in question as requires their discharge may be rescinded.
