Fort Saint George, Marine Consultation, 13th July 1858.

No. 1. From J. J. FRANKLIN, Esq., Secretary Marine Board; to T. PYCROFT, Esq.,
Chief Secretary to Government, Fort Saint George, dated 24th June 1858, No. 2548.

SIR,

I have the honor by desire of the Marine Board to inform you that applications have been made by the Head Pilot at Paumben, strongly supported by the late, as well as the present, Superintendent of the Works, for two extra Boat men. His present Boat's Crew consists of two Lascars at (4) four Rupees a month, and these he represents are unequal to the duty of conveying him from Ship to Ship as duty calls him; the more so when a strong contrary Breeze and Current prevail. He asks for two more Lascars at (4) four Rupees each per month; and as he is required to be much afloat the Board are of opinion that they are necessary. They therefore recommend the increase to the favorable notice of Government.

The Establishment at Paumben is as follows:	Rs.
1 Head Pilot	100
1 Writer... ..	15
2 Boat men at 4 Rupees....	8

	Rupees 123

No. 2. ORDER THEREON, No. 263; dated 7th July 1858.

Ordered that the following Tabular Application for the entertainment of the additional Lascars applied for by the Head Pilot at Paumben, be submitted for the sanction of the Supreme Government.

Chief Secretary.
