No. 9. From R. B. CHAPMAN, Esq., Under Secretary to the Government of India; to the Chief Secretary to the Government of Fort Saint George, dated the 10th June 1858, No. 911.

HOME DEPT. • SIR,

I am directed to transmit, for the information of the Right Honorable the Governor in Council, the accompanying Extract (para: 5) from a letter addressed this day to Commodore Watson, respecting the good effect that will be produced by the occasional visit of one of Her Majesty's Gun Boats or Corvettes, at the principal places on the Eastern and Western Coasts of the Bay of Bengal.

EXTRACT from a Letter from C. BEADON, Esq., Secretary to the Government of India; to Commodore R. B. WATSON, C. B., No. 1392, dated the 10th June 1858.

5. The President in Council takes this opportunity of expressing his opinion that much good will be done by one of the Gun Vessels touching, from time to time, at the small ports on the Eastern Coast of the Bay; and that the occasional presence of one of the Corvettes at the principal places on the Western Coast, between Madras and Calcutta, would likewise have a good effect.
