Fort Saint George, Marine Consultation, 19th January 1858.

No. 7. From Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th January 1858, No. 2.

SIR,

1. I have the honor to inform you that the Police Boat was seriously injured a few days since by being thrown by the Surf against one of the Groins of the North Beach, and as it was thereby rendered useless for a time, I was obliged to borrow another for the use of the Police Constable whose duty it is to board Vessels arriving at this Port, for ascertaining whether there are any Foreigners on Board or not, and as the Police Boat from the circumstance of its being now constantly afloat is liable to injury as well as to constant wear, which may render frequent repairs necessary, I think it is desirable that the Police should be in possession of a spare Boat for service on such occasions; I beg therefore to solicit His Lordship in Council to sanction the purchase of another Boat for Police purposes.

2. A good serviceable second hand Boat may be procured for Rupees 210, with Oars, head and stern Rope, Awning, &c., complete, and a perfectly new Boat for Rupees 340. For the above price each Boat will be furnished complete in every respect and fit for service.

(Signed) J. C. BOULDERSON,
Commissioner of Police.

No. 8. ORDER THEREON, No. 27; dated 13th January 1858.

The Government authorize the purchase of a new Boat for Police purposes at the cost of (340) three hundred and forty Rupees.
