Fort Saint George, Marine Consultation, 19th January 1858.

No. 9. From T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George; to the Secretary to the Government of India, dated Fort Saint George, the 13th January 1858, No. 28.

SIR,

Adverting to para : 9 of my letter, dated 7th May 1857, No. 186, I am directed by the Right Honorable the Governor's Council to forward, for submission to the Government of India, copy of a communication from the Marine Board, representing the great press of current business in their Office consequent on the continued movement of Troops and despatch of Stores, and the necessity of some aid being afforded to their Secretary to enable him to give due attention to the subjects which it is the duty of the Board to consider and report upon.

2. Under the strong representation contained in this letter, the Government has resolved to grant the aid required by the Marine Board by the appointment temporarily of an Assistant to their Secretary on a Salary of Rupees (300) Three hundred a month, subject to the confirmation of the Supreme Government, to whom I am directed to submit the accompanying application in the prescribed Form, and to solicit their sanction to the measure.

3. The Government, I am instructed to add, have only taken this step on a strong conviction of its necessity and that it was absolutely impossible for the Board—that is for their Secretary—to dispose of the questions referred to them and to carry on their detail duties without assistance. It must be apparent that if such aid was deemed necessary in May last, the events which have since occurred by adding largely to the labors of the Marine Department have made the call for it yet more urgent.

(Signed) T. PYCROFT,
Chief Secretary.
