Fort Saint George, Marine Consultation, 27th July 1858.

No. 19. From Messrs: ARBUTHNOT & Co.; to the Chief Secretary to Government, Fort Saint George, dated 21st July 1858.

SIR,

We have the honor to acknowledge receipt of Extract from the Minutes of the Consultation under date the 13th Instant, from which we learn that our letter of the 28th Ultimo was read in Council; but it does not appear to have been entered upon the Proceedings, which we much regret, as it is incorrectly described on those Proceedings as "certain further remarks in explanation of our conduct in the transaction of the Coal sold by us to Government," thus ascribing to it an apologetic character which we repudiate.

Our letter was intended to correct the erroneous impression of Government on a point of fact, and would be more accurately described as being in support of our application to Government to withdraw certain instructions given to the Marine Board, on the ground that those instructions should not have been issued.

Having failed to obtain the redress we sought, it is now our intention to print the correspondence and to appeal to higher Authority.
