No. 5. From Lieutenant General M. BERESFORD, Commanding Mysore Division; to the Deputy Adjutant General of the Army, transferred by Memo: dated 4th August 1858, No. 106.

I have the honor to forward an application from Lieutenant May, Indian Navy, to the address of the Deputy Assistant Adjutant General, Mysore Division, forwarding a Medical Certificate with Proceedings of a Board of Medical Officers and to request that the necessary steps may be taken for obtaining leave of absence to that Officer.

From Lieutenant E. R. MAY, Indian Navy; to the Deputy Assistant Adjutant General, Mysore Division, dated 3rd August 1858.

SIR,

I have the honor to request that the accompanying Certificate and Proceedings of a Board of Medical Officers, appointed to examine into and report upon the state of my health, may be forwarded to Army Head Quarters, Madras, in order that arrangements may be made there for my obtaining a final Certificate to Europe.

I have further to request that the result of these Proceedings may be communicated through the Commander-in-Chief of the Indian Navy, to the Bombay Government, for confirmation.

I hope to be able to leave this by the 12th Instant, and be in Madras on or about the 15th Instant.

This is to certify that Lieutenant Edmond Reynolds May of the Indian Navy is in a bad state of health, and that it is necessary in my opinion that he should proceed to Madras for the purpose of obtaining a final Medical Certificate to enable him to proceed to Europe for the space of eighteen months.
