No. 11. From Colonel P. M. MELVILL, Secretary to Government of Bombay ; to the Secretary to the Government at Fort Saint George, Marine Department, dated Bombay Castle, 4th January 1858, No. 6.

SIR,

I am directed by the Right Honorable the Governor in Council to transmit to you the accompanying copy of a letter from the Commander-in-Chief of the Indian Navy, dated the 23rd Ultimo, No. 1480, and to request that this Government may be informed whether it is the wish of the Right Honorable the Governor in Council at Fort Saint George, that new Boilers for the Steamer "Hugh Lindsay" should be prepared in the Factory at this Presidency.

(Signed) P. M. MELVILL, Colonel,
Secretary to Government.

From Commodore G. G. WELLESLEY, C. B. R. N. Commander-in-Chief, Indian Navy ; to the Right Honorable LORD ELPHINSTONE, G. C. H., Governor and President in Council, dated Bombay, dated 23rd December, No. 1480 of 1857.

MY LORD,

As the Boilers of the Steam Vessel "Hugh Lindsay" are reported to be in a very defective state, and not likely to run much longer, I do myself the honor to suggest to your Lordship in Council that a reference be made to the Madras Government, to which she belongs, to ascertain if others are expected from England for her.

2. If new Boilers have not been ordered from England for the "Hugh Lindsay," it is desirable that a set should be at once commenced on in this Factory, so that they may be ready for putting on Board whenever the Vessel may be released from her present employment at Kurrachee.

(Signed) G. G. WELLESLEY,
Commander-in-Chief of the Indian Navy.
