Fort Saint George, Marine Consultation, 17th August 1858.

Read again letter from the Secretary to the Marine Board, dated 17th, and recorded in Consultation of 20th July 1858.

No. 1. From J. R. BOYSON, Esq., Honorable Company's Solicitor; to the Chief Secretary to Government, Fort Saint George, dated 9th August 1858, No. 428.

SIR,

1. I have the honor to acknowledge the receipt of the Extract from Minutes of Consultation, *Minutes Consultation, dated 20th July 1858, No. 277, Marine Department.* noted in the margin.

2. I have since made all needful enquiry relative to the matter therein referred to, and am of opinion that the Honorable Company are bound to contribute to the General Average in respect of the value of the Anchor and Cable from which the "Julia" slipped, whilst at Anchor in the Madras Roadstead on the 5th of May last.

3. I therefore beg to recommend that the Average Agreement herewith returned, which I have perused and consider free from objection, be sealed in the usual manner on behalf of the Honorable Company or that the Commissary General be authorized to sign it in his official capacity; either of these courses will do equally well.

No. 2. ORDER THEREON, No. 310; dated 11th August 1858.

As advised by the Honorable Company's Solicitor the Commissary General will be authorized to sign, in his official capacity, the Agreement, submitted by Messrs. Bainbridge and Co., for the payment of General Average on the loss sustained by the "Julia" in consequence of her having had to slip her cable during the Cyclone of the 5th of May last.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. J. A. Wilson.
