Fort Saint George, Marine Consultation, 31st August 1858.

No. 11. To THE SECRETARY TO THE GOVERNMENT OF INDIA, dated Fort Saint George, the 27th August 1858, No. 335.

SIR,

The Superintendent of Marine was reported that the Commander of the Honorable Company's Steamer *Dalhousie* has been unable to clear the barnacles from the bottom of that Vessel, as it was expected he would have been able to do, while at the Straits; and recommends that she should be sent to Calcutta for the purpose of having her docked and cleaned.

2. The Government have approved this arrangement and issued the necessary orders to Lieutenant Hellard to proceed with the *Dalhousie* to Calcutta as quickly as possible, I am therefore directed to request that orders may be given to the proper Authorities there to dock and clean this Vessel with all dispatch. When this operation shall have been completed, Lieutenant Hellard has been directed to prepare the *Dalhousie* for a trip to Bimlipatam, and from thence to convey a part of the 31st Native Infantry to Rangoon about the middle of next month, laying in the requisite water and provisions at Calcutta. He is then to return to Madras.

Chief Secretary.
