Fort Saint George, Marine Consultation, 19th January 1858.

No. 22. From J. J. FRANKLIN, Esq., Secretary Marine Board; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 7th January 1858, No. 89.

SIR,

The Assistant Master Attendant having submitted the accompanying letter with a request that the information therein contained might be communicated to Government, I have the honor by desire of the Marine Board to forward it accordingly.

(Signed) JOHN J. FRANKLIN,
Secretary.

From J. McKENNIE, Esq., Assistant Master Attendant; to J. J. FRANKLIN, Esq., Secretary to the Marine Board, dated 7th January 1858.

SIR,

I hope the Marine Board will excuse my troubling them upon a matter personally important.

I think the time is come when I should make known the fact, that before I entered the Honorable Company's Service, and when I was in the Country employ, I commanded two Vessels in different parts of the world.

Some time after my return to India, I was appointed in the year 1832, (when the plague was raging in the Persian Gulph) to the Command of the H. C. Quarantine Vessel in these Roads; which I fitted out and worked, not vacating the charge until after that particular service was over. It will be seen therefore, that both in and out of the Government Service, I have been, in the common acceptation of the term, a Commander.

So long as I was holding the lower situation in the Marine Department, without the prospect of rising, I did not deem it worth while to prominently place these facts before Authority, but now that I have applied to the Honorable Court for promotion, (an application which I consider my long services to justify) I have thought it both proper and necessary to lay my case before the Board, with the view, that they will do me the favor to bring the foregoing circumstance to the notice of Government.

(Signed) J. McKENNIE,
Assistant Master Attendant.
