Fort Saint George, Marine Consultation, 21st September 1858.

No. 8. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 6th September 1858, No. 3621.

SIR,

I have the honor to forward the accompanying Pamphlet containing certain Acts and Regulations necessary to be known by Ship Masters at Madras and the Outports under this Presidency, and to state that I purpose, with the sanction of Government, furnishing copies to the fourteen Ports brought under the operation of Act XXII of 1855, for sale at six annas each, a price which, while ample to cover all expenses, will not be considered high by purchasers.

2. Two thousand copies have been struck off, the cost of which is Rupees (367-8-0) three hundred and sixty seven and annas eight. I solicit sanction for the outlay on the understanding that it is to be repaid as the copies are sold and that any Surplus shall be credited to the Port Funds of the Ports at which they may be disposed of.

No. 9. ORDER THEREON, No. 370; dated 17th September 1858.

The Government sanction the Bill, submitted with the foregoing letter, for printing, in Pamphlet form, the Acts relating to the Ports of this Presidency and the Rules for the better management and control of Boats and Catamarans used for hire at Outports, amounting to Rupees (367-8-0) three hundred and sixty seven and annas eight, the Superintendent of Marine will, as proposed, dispose of this Work at the rate of six annas a copy, and after repaying Government its actual cost with any charges that may be incurred, credit the surplus to the Port Funds.

(Signed) T. PYCROFT,
Chief Secretary.
