Fort Saint George, Marine Consultation, 28th September 1858.

No. 3. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th September 1858, No. 3837.

SIR,

I have the honor to acknowledge receipt of Extract Minutes Consultation, of this day's date, No. 372, and to state in reply that no Government Steamer can be sent from this Presidency to be at Calicut, or elsewhere on the Western Coast, by the 1st November without interfering with the arrangements already made for the reliefs. The "Coromandel" and "Dalhousie" will be at Rangoon by the beginning of November for the purpose of embarking the 8th N. I. for Mangalore, and I am informed that the Regiment will not be ready to proceed before about the 10th of the month.

2. The Australian may be daily expected from Port Blair. On her arrival she will be employed in conveying two Companies of the 2nd European Light Infantry from Negapatam to Vizagapatam and three Companies of Her Majesty's 69th from the latter Port to Rangoon. If there is any pressing necessity for it, she could be sent across empty to Calicut, so as to be there by the time mentioned; but it would be much more advisable that a Steamer be dispatched from Bombay on this service, the distance being so much less.

No. 4. ORDER THEREON, No. 377; dated 22nd September 1858.

Ordered to be communicated to the Military Department in reference to the Extract Minutes of Consultation in that Department under date the 14th Instant, No. 3323.

Under the circumstances stated by the Superintendent of Marine application will be made to the Bombay Government for a Steamer to convey His Excellency the Commander-in-Chief and Staff from Calicut to Bombay, to be at the former Port by the first of November next.

(Signed) T. PYCROFT,
Chief Secretary.
