to the Chief Secretary of Government, Fort Saint George, dated 27th September 1858.

SIR,

With reference to an Extract from the Minutes of Consultation, dated the 23rd September 1858, I have the honor to request you will be pleased to forward me a copy of the letter from the Master Attendant of Madras, dated the 14th July 1858, No. 446. As I owe it to myself, and my position in Her Majesty's Service, to endeavour by all means in my power to have an apology from the Master Attendant of Madras for his conduct to me on the 24th of June last. I will wait on you at any hour you may name, and I trust an early answer will be sent me as my stay is uncertain.

No. 37. ORDER THEREON, No. 394; dated 28th September 1858.

Resolved that Mr. Loney be informed that the Government must decline to furnish him with a copy of the Master Attendant's letter of the 14th July last. They have made such enquiry as they deemed called for to satisfy themselves as to the conduct of their Officer and have found no reason for their interference in the matter. It will be open to Mr. Loney to take any steps that he may think fit.
