The Head Pilot at Paumben has represented to the Marine Board, that his present Boat's Crew are unequal to the performance of the duty required of them in conveying him from Ship to Ship, the more so when a strong contrary breeze and current prevail. He therefore requests to be allowed 2 more Lascars on a salary of Rs. 4 each per man, this application, the Marine Board state, has been strongly supported by the late and present Superintendent of the Paumben Works; and they also recommend it for the favorable notice of Government. Under these circumstances the Governor in Council solicits the sanction of the Supreme Government for the entertainment of the additional Lascars applied for by the Head Pilot at Paumben.
