Fort Saint George, Marine Consultation, 5th November 1858.

No. 11. From J. J. FRANKLIN, Esq., Superintendent of Marine ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 3rd November 1858, No. 4356.

SIR,

The accompanying letter regarding the health of Mr. Engineer Howard of the "Coromandel" having been sent to me by Dr. VanSomeren, I have the honor to suggest, in the absence of Lieutenant Stradling, and in the probability that the "Coromandel" will not be here again before the middle of December next, that it should be forwarded to the Bombay Government and instructions requested as to his disposal.

2. Mr. Howard has been on shore on Medical Certificate for, I believe, two or three months, but, belonging to the Indian Navy, can of course only receive orders from an Officer of that service.

From W. J. VANSOMEREN, M. D., Acting Surgeon 1st District ; to the Superintendent of Marine, dated 27th October 1858, No. 61.

SIR,

I have the honor to recommend that Mr. Howard, the Engineer of the "Coromandel," be directed to proceed to Bombay, with a view to his employment on the Western waters of India, I am induced to do this by the fact, that he lost his health only after his removal to the Steamer plying in the Bay of Bengal ; and I fear from my observation of his case during the last two months, that though now about to return to his duty, he will not be able to continue long in the performance of it, if he remains where his health failed him.

No. 12. To THE SECRETARY TO THE GOVERNMENT OF BOMBAY IN THE MILITARY DEPARTMENT, dated Fort St. George, the 5th November 1858, No. 445.

SIR,

I am directed by the Governor in Council to forward, for the consideration and orders of the Bombay Government, the accompanying copy of a communication from the Superintendent of Marine, dated 3rd November next, submitting a letter from Dr. VanSomeren, in which he advises that Mr. Howard, the Engineer of the "Coromandel," should be employed on the Western Waters of India in consequence of his having lost his health on being removed to the Steamer plying in the Bay of Bengal.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
