Fort Saint George, Marine Consultation, 14th December 1858.

No. 2. From J. J. FRANKLIN, Esq., Superintendent of Marine; to the Secretary to Government, Military Department, Fort Saint George, dated 8th December 1858, No. 4923.

SIR,

I have the honor to inform you that a requisition has been this day forwarded to me by the Ordnance Department for the despatch to *Cannanore* of about 7 Tons of Military Stores. The "*Dalhousie*," left yesterday for the Malabar Coast, and as there is no sailing Vessel bound to that Port, and the quantity is not sufficient to induce a Vessel to lay on, I have to suggest that application be made to the Commander of the "*Ferooz*," on her arrival, with a view to its being received on board and landed on her passage back to Bombay.

No. 3. ORDER THEREON, No. 485; dated 10th December 1858.

Under the circumstances represented in the above communication, the Commander of the Steam Ship "*Ferooz*" will be requested to receive on board the Military Stores referred to for delivery to the Authorities at Cannanore, if it be not incompatible with the instructions received by him from Bombay. This Officer will at once report whether he can receive the Stores or not.

2. The Superintendent of Marine will be instructed to have the Stores in readiness for immediate shipment in the event of a reply in the affirmative being received from the Commander of the "*Ferooz*."

Acting Secretary to Government.
