Fort Saint George, Marine Consultation, 23rd February 1858.

No. 12. From J. J. FRANKLIN, Esq., Secretary Marine Board; to T. PYCROFT, Esq.,
Chief Secretary to Government, Fort Saint George, dated 11th February 1858, No. 627.

SIR,

	<i>Rs.</i>	<i>As.</i>	<i>P.</i>	
No. 1.	671	8	0	I have the honor by desire of the Marine Board to submit the accompanying two Bills for the expenses incurred by the Agent to the Peninsular and Oriental Company in landing and storing a Cargo of Coals, <i>ex</i> Lebanon, which was purchased in November last, at Rupees 35, 30 or 25, according as the Vessel arrived in November, December or January.
„ 2.	586	11	0	

2. This Coal was required for the purpose of re-paying to Mr. Franck a portion of that lent in the course of the past year, when, but for such assistance, the Board would have been unable to meet the demands of the numerous Steamers which required supplies. The expenses are heavier than usual from the circumstances of the Peninsular and Oriental Godowns being further removed from the Beach than are those of this Department, and of the difficulty of procuring Boats to discharge the Cargo in sufficient time to avoid demurrage.

3. The Vessel arrived in December and the Cargo having been made over to Mr. Franck, as Agent to the Peninsular and Oriental Company, who, it may be observed, has not charged for the use of the bags employed, the Board beg to recommend the Bills for sanction.

No. 13. ORDER THEREON, No. 85; dated 22nd February 1858.

Government sanction the two Bills of expenses incurred by the P. and O. Company's Agent in landing and storing a Cargo of Coals in re-payment of a portion of the quantity lent by him for the Public Service, amounting together to Rupees (1,258-3-0) One thousand two hundred and fifty eight and Annas three.

(Signed) T. PYCROFT,
Chief Secretary.
