Fort Saint George, Marine Consultation, 19th April 1859.

No. 25. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th April 1859, No. 1574.

SIR,

In continuation of my letter of the 15th February last, No. 702, I have the honor to inform you that the Resident Councillor at Singapore has reported that no information can be there obtained on the subject of the Vessel which foundered off Pondicherry in the Cyclone of the 9th December 1856, and that the Superintendent of Marine at Calcutta has been equally unsuccessful. All he can state is that the Ship "Carnatic" under the British flag left Calcutta in November 1850, and never returned; and he has been unable to ascertain whether she or the Thengesey were expected there in 1856.

2. Under these circumstances, and having the very clear statement of the Master Attendant at Cochin relative to the Vessel which was lost at that time, I presume that no further inquiries need be made.

No. 26. ORDER THEREON, No. 142; dated 18th April 1859.

The Superintendent of Marine need not make further inquiries in view to the identification of the Vessel which foundered off Pondicherry in the Cyclone of the 9th December 1856, and whose crew were rescued by the Master of the French Ship "Leverier."

(Signed) T. PYCROFT,
Chief Secretary.
