*Proceedings of the Madras Government, Marine Department, from
30th April to 3rd May 1859.*

No. 1. Read the following letter from Commander F. W. HOPKINS, I. N. Commanding H. M.'s Steamer "Dalhousie" I. N.; to T. PYCROFT, Esq., Chief Secretary to Government, Madras, dated Calcutta, 22nd April 1859, No. 85.

I have the honor to inform you that I expect in a month's time from this date, the "Dalhousie" will be ready for any service Government may require.

2. The work to be done to the Vessel's Pistons and Machinery requires the most minute fittings and is consequently of a very tedious nature; and on account of the number of holidays it is difficult to get men to remain at work.

3. I beg you will convey any orders you may have regarding the Vessel to the Government here, or Captain Campbell I. N. who is my senior Officer.

No. 2. ORDER THEREON, 30th April 1859, No. 162.

Communicated to the Military Department, and to the Superintendent of Marine.

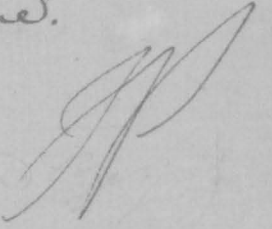

(Signed) T. PYCROFT,
Chief Secretary.
