*Proceedings of the Madras Government, Marine Department,
from 4th to 10th May 1859.*

No. 30. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th April 1859, No. 1649.

I have the honor to inform you that Mr. Daviot, the Government Head Pilot at Paumben proceeded to Colombo on the 12th December last, having obtained from me one month's privilege leave. On the 8th of January last he left Colombo in a coasting craft to return, but meeting with a heavy Gale in which the Vessel lost her Sails and was otherwise injured, he could not rejoin his Station before the 21st January thus overstaying his leave by 10 days.

2. The distance between Colombo and Paumben is about 140 miles, and as Mr. Daviot would have reached the latter Port within the period of his leave, had the Vessel in which he embarked not been overtaken by the Gale, I would solicit that special leave be granted to him for the 10 days he exceeded the month.

Referred for the report of the Civil Auditor.

No. 31. From J. L. LUSHINGTON, Esq., Acting Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 28th April 1859, No. 248.

With reference to the letter, No. 1649, from the Superintendent of Marine, referred to me for report I have the honor to state, that under para : 41 (a) Chapter III, of the Civil Auditor's Manual, Mr. Daviot would forfeit all pay and allowances for the period he overstayed his leave, but as Mr. Daviot, appears to have started in good time to rejoin his Office, and as his detention was unforeseen and unavoidable, Government may perhaps be disposed to treat his case as a special one with leniency.

No. 32. ORDER THEREON, 10th May 1859, No. 184.

The Superintendent of Marine informs Government that Mr. Daviot, the Government Head Pilot at Paumben, had proceeded to Colombo on leave, but, returning back in a coasting craft, he encountered a heavy Gale—the result of which was he was prevented from resuming his duties till 10 days after expiration of his leave. The Superintendent explains that calculating the distance between Colombo and Paumben, Mr. Daviot, but for the occurrence of the Gale, would have reached his Station in time, and under the circumstance, solicits that a special leave may be granted for the 10 days he exceeded his leave.

2. The Civil Auditor reports that according to rule,* Mr. Daviot has forfeited his pay for the period in question, but observes that as he started in time to rejoin, and his detention was unforeseen and unavoidable, the Government might treat the case leniently as a special one.

* *Civil Auditor's Manual, Chapter III, para : 41 (a.)*
Uncovenanted Officers, not returning at the expiration of their privilege leave, forfeit all pay and allowances during the time of their remaining so absent without leave.

3. Government authorise the Civil Auditor, under the peculiar circumstances of Mr. Daviot's case, to pass him his pay for the period he was unavoidably prevented from rejoining after the expiration of his leave.
