*Proceedings of the Madras Government, Marine Department,
from 11th to 17th May 1859.*

No. 26. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th May 1859, No. 1922.

I have the honor to inform you that Lieutenant Sweny I. N., Commanding Her Majesty's Surveying Brig "Mutlah" now employed off Pulicat, has reported the resignation of his Surgeon, and being left without any professional aid has requested that an Apothecary might be attached to his Vessel until another Surgeon could be obtained, or until he leaves for Calcutta, which will probably be about the middle or end of September.

2. I would solicit that his wishes may be complied with if possible; as in survey service both Officers and men are forced to undergo much exposure and are likely frequently to require Medical Attendance.

No. 27. ORDER THEREON, 16th May 1859, No. 199.

Under the circumstances represented by the Superintendent of Marine, the Director General of the Medical Department will be requested to place the services of a qualified Medical subordinate at the disposal of the Commander of the "Mutlah."

(Signed) T. PYCROFT,
Chief Secretary.
