No. 14. Extract from the Minutes of Consultation in the Military Department, dated 31st December 1858, No. 4720.

Read the following letter from Major C. COOKE, Deputy Adjutant General of the Army; to the Secretary to Government, Military Department, dated 31st December 1858, No. 735.

SIR,

\* No. 206, dated 29th December 1858. With reference to the letter\* from the Commander of the Steamer "Dalhousie," referred to the Commander-in-Chief, under date the 30th Instant, I have the honor, by order of His Excellency, to state for the information of the Right Honorable the Governor in Council, that agreeably to Minutes of Consultation, 17th November 1858, No. 4168, Assistant Surgeon Finlayson, was removed from the Artillery to the Steamer "Dalhousie," in G. O. C. C. dated 6th December 1858.

2. That Officer has, however, since reported sick; and by a report from the Superintending Surgeon, Centre Division, dated 25th Instant, it seems there is no prospect of his being fit for the discharge of his professional duties for sometime to come. At present there is no other Medical Officer whose services can be made available for the Steamer.

3. With regard to Assistant Apothecary King, who was appointed to the Steamer "Coromandel," on his own application, and transferred to the "Dalhousie," by the Naval Authorities, and at whose request it is presumed Captain Hopkins has applied for his exchange "on an Assistant Surgeon joining the Ship." I am to request that as this Medical Subordinate cannot at present be relieved without inconvenience to the Public Service, he may be permitted to continue attached to the Steamer.

4. Assistant Apothecary King has applied to this Office for removal through the head of his Department.

Communicated to the Marine Department.

(Signed) H. MARSHALL, Colonel,  
*Acting Secretary to Government.*
