*Proceedings of the Madras Government, Marine Department,
from 11th to 17th May 1859.*

No. 30. Read the following letter from Captain C. D. CAMPBELL, Indian Navy, Commanding H. M's. P. V. "Calcutta", Indian Navy, and Senior Officer; to W. GREY, Esq., Secretary to the Government of India, Home Department, dated Calcutta, 14th April 1859, No. 444.

I have the honor to submit for the consideration of His Excellency the Governor General in Council the annexed copy of a letter from the Commander of Her Majesty's, Indian Navy, Steam Vessel "Dalhousie," No. 75, dated 6th Instant, reporting the death of Mr. C. Adamson, late temporary 2nd Engineer of that Vessel, at Madras Hospital on the 23rd Ultimo, and representing that Mr. Adamson had been discharged to Hospital from the "Dalhousie" on the 9th of March, and consequently was 14 days on shore before his death, for which period he solicits the permission of Government to allow the deceased the pay that would be due to him amounting to Rupees 90-5-2, in consideration of his good conduct and having lost his health in the performance of his duty on Board that Vessel.

2nd. Mr. Adamson having been temporarily engaged at Calcutta in April 1858, as 2nd Engineer of the "Dalhousie" upon a monthly salary of Rupees 200, and not being in the Government Service the rules of the Indian Navy do not permit him to claim pay while on shore in Hospital after being discharged from the Vessel in which he was temporarily employed, but under the circumstances represented by his late Commander, I respectfully submit that Commander Hopkin's may be authorized to pay the balance of the deceased wages while on shore sick amounting to Rupees 90-5-2 to the Estate of the late Mr. Adamson, as the vacancy on board the Vessel has not been filled up.

From Commander F. W. HOPKINS, Indian Navy, Commanding H. M's. S. V. "Dalhousie," Indian Navy; to Captain C. D. CAMPBELL, Indian Navy, Senior Naval Officer, dated Calcutta, 6th April 1859, No. 75.

I regret having to report the death of Mr. Charles Adamson which took place in the Madras Hospital on the 23rd Ultimo, there is an Hospital charge of Rupees 7-8-0 against the deceased, on the part of Government, but Mr. Adamson was paid up from the "Dalhousie" to 9th March 1859, the date of his being discharged sick to Hospital.

2nd. With reference to the deceased who was employed temporarily by Government as 2nd Engineer of the "Dalhousie," and served in that capacity for a period of 11 months and lost his health in the discharge of his duty, he has left a Widow and 5 Children in England.—From the above circumstances and the good conduct of Mr. Adamson on board, I respectfully beg you will bring the matter to the notice of Government with a favorable recommendation that the deceased's pay whilst in Hospital amounting to Rupees 90-5-2 may be allowed him.
