*Proceedings of the Madras Government, Marine Department,
from 18th to 27th May 1859.*

No. 1. Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to the Secretary to Government, Military Department, Fort Saint George, dated 17th May 1859, No. 211.

I have the honor by desire of His Excellency the Commander-in-Chief, to request, you will submit for the consideration of Government, the following Extract from a letter, received from Captain Nicolls, 24th Regiment Native Infantry lately in command of Details proceeding to Rangoon in Her Majesty's Steamer "Punjaub," (Indian Navy.)

"The day before embarking, I succeeded in obtaining one Cabin for the use of myself and four other Officers, and the Baggage of these Officers and of two Staff Serjeants was not allowed to be brought on Board the Steamer."

"I do not know whether in an 1,800 Ton Ship, some better accommodation for Military Officers and their Baggage, and for the sick might not have been found, should it be consonant with the custom, which might be ascertained at Bombay, for a Man-of-War to afford such."

2. I am directed with reference to the above to observe that the only space given up for the Troops and Baggage was the Upper Deck, consequently all the heavy Baggage was shipped under orders from this Department in the Ship "Louisiana," that the space for the Soldiers might not be interfered with. The refusal on the part of the Commander to make over any space for baggage, or to allow more than one Cabin for four Officers, His Excellency the Commander-in-Chief cannot consider as justifiable in a case where the Vessel is made available by Government for the Transport of Troops.

Referred to the Marine Department.

FORT SAINT GEORGE,
17th May 1859.

(Signed) R. HAMILTON, Lieut. Colonel,
Ag. Dy. Secy. to Government.

(Signed) T. PYCROFT,
Chief Secretary.
