*Proceedings of the Madras Government, Marine Department,
from 18th to 27th May 1859.*

No. 5. Read the following letter from Lieutenant A. D. TAYLOR, I. N., Commanding Her Majesty's Surveying Vessel "Bheema," I. N.; to THOMAS PYCROFT, Esq, Chief Secretary to Government, Fort Saint George, dated Dharwar District, 18th April, No. 23 of 1859.

I have the honor to forward copy of an Order from the Government of Bombay, appointing me Member of a Commission to inspect and report upon the best lines of road from Dharwar to the Ports of Goa and Sedashigur; and I have to inform you that I proceeded to join the Commission at Dharwar on April 8th.

2. I presume that intimation has been given to the Madras Government of this transfer of my services to other duty which will fully employ my time till the setting in of the monsoon, when I hope to reach Bombay; it is my earnest expectation that after a short stay there to settle my accounts, I may obtain the permission of my Commander-in-Chief to proceed by Steamer to Madras, in accordance with the sanction of the Madras Government now received, so as to be enabled to hand in the work lately executed by myself and Officers, and to give such explanation of my plans and proceedings as could not be rendered by a correspondence extending over a less period than half a year.

3. In acknowledging receipt of Extracts from Minutes of Consultation, Nos. 48, 102, 110, and 114, dated respectively February 12th, March 23rd, the 28th and 30th, I have the honor to state that answers (to such points as require them) shall be sent as soon as possible; and I would also express my great willingness to receive at any time, whether I be in this country or in Europe, any papers which you may do me the honor to forward on subjects connected with my late service under the Government of Madras, or on any subject upon which you may think me capable of forming a right judgment.
