*Proceedings of the Madras Government, Marine Department,
from 11th to 17th June 1859.*

No. 6. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine;
to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated
2nd June 1859, No. 2154.

I have the honor to acknowledge receipt of the Proceedings of the Madras Government,
under date the 26th Instant, and to state that I think it exceedingly desirable that
No. 223. Paumbem should be brought under the operation of Act XXII of 1855. The
trade through the Channels is yearly increasing, and the burthen of Vessels pass-
ing through is becoming greater as the depths augment. For the preservation of order and regu-
larity among these Vessels, I would recommend that the Port be at once brought within the opera-
tion of the Harbours Act, and that the Government Head Pilot, who receives 100 Rupees a
month should be the Conservator.

No. 7. ORDER THEREON, 11th June 1859, No. 258.

Resolved accordingly that the Port of Paumbem be declared to be subject to the provisions
of Act XXII of 1855—and that the Government Pilot be appointed Conservator.

2. Ordered that the following notification, together with the specification of the limits of
the Port and Port Rules, received from the late Marine Board with their letter, 24th April 1857,
No. 1597, be published in successive issues of the Gazette.

(Signed) T. PYCROFT,
Chief Secretary.
