*Proceedings of the Madras Government, Marine Department,
from 25th June to 1st July 1859.*

No. 3. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine ;
to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th
June 1859, No. 2501.

31st July 1855, No. 174.

The Government were pleased, in Extract
Minutes of Consultation marginally noted, to
sanction the construction of a Buoy to be placed on the shoal off Hope Island in the bay of Co-
ringa, to denote the limit of deep water ; and it is now in hand at the Dowlaishweram workshop,
having been commenced after the completion of those prepared for Masulipatam. To render this
Buoy useful during the night, I have considered it advisable to have a Bell fitted to it so as to
give notice to Vessels approaching the danger in the dark. The artisans at Dowlaishweram were
unable to complete this part of the work, which occasioned an application to the Mint for the
purpose, and I have now the honor to submit and solicit sanction to a Bill for the cost thereof.

No. 4. ORDER THEREON, 27th June 1859, No. 282.
The purchase of the Bell referred to is sanctioned at a cost of Rupees 14-4-0 Fourteen and
four Annas.

(Signed) T. PYCROFT,
Chief Secretary.
