*Proceedings of the Madras Government, Marine Department,
from 25th June to 1st July 1859.*

No. 5. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th June 1859, No. 2520.

In acknowledging receipt of the Proceedings of Government of this day's date, No. 279, I have the honor to solicit that Commander Hopkins of H. M.'s Steamer "Dalhousie" may be instructed to convey the next Mail to the Northern Ports and Rangoon.

2. I have heard it remarked that the second para. of the letter from the Supreme Government of the 22nd January 1859, did not give me authority to issue instructions to Officers of the Indian Navy in Commission even when employed on this Packet service; and I would suggest whether it would not be advisable to take this opportunity of informing Commander Hopkins that I was "acting under the general authority of Government" in making the necessary arrangements for the due control and efficiency of such service.

No. 6. ORDER THEREON, 28th June 1859, No. 283.

The Superintendent of Marine will instruct Commander Hopkins, Her Majesty's Steamer Dalhousie," I. N., to convey the next Mail to Rangoon and the Northern Ports.

It is observed that Commander Hopkins has already been furnished with a copy of Mr Secretary Beadon's letter of 22nd January last, which directs that while any of the Transports on the Madras and Rangoon Line, are commanded by Officers of the Indian Navy, such Officers are to be guided by whatever orders may be issued to them by the Superintendent of Marine, acting under the general authority of the Madras Government.
