*Proceedings of the Madras Government, Marine Department,
from 2nd to 8th July 1859.*

No. 1. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine;
to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated
22nd June 1859, No. 2475.

In my letter of the 27th April last, No. 1702, I stated that in consequence of doubts having
arisen as to the correctness of the late Commander Fell's Survey of the Pulicat Shoal, I had
dispatched the "Mutlak" Surveying Brig, under the Command of Lieutenant Sweny, Indian Navy,
to re-examine the spot. This proceeding the Government were pleased to approve.

2. Lieutenant Sweny has now reported the completion of his examination, the result of
which is a verification of Fell's Charts, with the exception of there being rather less water in one
or two places than is thereon shewn.

3. Lieutenant Sweny's letter will be published for general information, and the Charts un-
sold will be corrected accordingly. One hundred and fifty copies of the letter will be struck off
for distribution.

4. I would solicit that the circumstances should be brought to the notice of the Council for
India, in order the necessary corrections should be entered in the next edition of Fell's Charts.

No. 2. ORDER THEREON, 2nd July 1859, No. 294.

The steps which the Superintendent of Marine purposes to take in consequence of Lieutenant
Sweny's report, which has been already published, of his Survey of
Gazette page 1,288. the Pulicat Shoal, are approved by Government.

As suggested, Lieutenant Sweny's report will be communicated to the Secretary of State for
India, in view to the amendment of the next edition of Fell's Chart. Mr. Franklin will send ten
copies of the corrected Chart for transmission home.

(Signed) T. PYCROFT,
Chief Secretary.
