*Proceedings of the Madras Government, Marine Department,
from 16th to 22nd July 1859.*

No. 16. Read the following letter from G. N. TAYLOR, Esq., Inam Commissioner; to the Chief Secretary to Government, Fort Saint George, dated 18th July 1859.

Being about to proceed to Masulipatam on the Public Service, I am anxious to despatch Office furniture and records in charge of a few Clerks, and also my private baggage, tents, horses, and Servants, by the Government Steamer "Coromandel," which I understand will sail for that Port towards the end of the present week.

2. I must defer my own departure till the next regular packet starts for the Northern Ports, after the arrival of the Overland Mail but as I am informed by Mr. Franklin that there will be ample room in the "Coromandel" for every thing I may wish to send, I have the honor to request that an order of Government may be conveyed through that Officer, directing the receipt on Board that Vessel, and (if not unusual under the circumstances) the transmission, free of charge, of all the furniture, baggage, &c., above specified, to Masulipatam.

3. Any person belonging to the Establishment who is not a native, will of course pay the usual table money, but servants, I imagine, are allowed to go free.

4. I am not aware if horses can be accommodated on Board these Steamers, but I am prepared to pay for their transport, should it be considered right to make this charge.

5. I respectfully solicit the early orders of Government upon this letter.

No. 17. ORDER THEREON, 19th July 1859, No. 324.

Resolved that the Commander of Her Majesty's Steamer "Coromandel" I. N., be directed to receive on Board his Vessel, and convey to Masulipatam, the Establishment, horses, Office furniture, baggage &c., of Mr. G. N. Taylor, Inam Commissioner.

(Signed) T. PYCROFT,
Chief Secretary.
