*Proceedings of the Madras Government, Marine Department,
from 16th to 22nd July 1859.*

No. 20. Proceedings of the Madras Government, dated 21st July 1859, No. 327.

Read Despatch from the Right Honorable the Secretary of State for India.

Para. 2. Intimates that a Diving Bell with Apparatus has been shipped on the "Saint Croix" for Madras—and forwards copies of correspondence with Messrs. Lawrence Brothers, the Makers of the Bell, in which the weight and other particulars of the Machinery are given in view to the construction of a suitable Anchor Boat, to be ready by the time the Bell arrives.

(Here enter 14th June 1859, No. 20.)

Para. 3. Intimates having engaged Mr. Elton Templemore, an Engineer, to superintend the working of the Bell in India, and to instruct others in its management and use—and forwards Duplicate of the Covenant with Mr. Templemore.

Correspondence with Messrs. Lawrence Brothers. Mr. Templemore's Covenant.

A copy of the Despatch and its enclosures will be furnished to the Superintendent of Marine, in reference to para: 4 of Extract Minutes Consultation, 28th October last, No. 434.

2. Orders will be issued in the Public Works Department for the immediate construction of a suitable Anchor Boat to be ready for service by the time the Bell arrives in India.

3. The Superintendent of Marine will report the arrival of Mr. Templemore for the orders of Government.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. A. P. W. Begbie.
