*Proceedings of the Madras Government, Marine Department,
from 23rd to 29th July 1859.*

No. 11. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 23rd July 1859, No. 2908.

I have the honor to inform you that the Surgeon of H. M. Steamer "Sydney" has applied for an Apothecary to be attached to the Vessel. He represents that as she is constantly employed in trooping, the Medical Officer has much extra work imposed on him, more particularly when sick details are embarked. He likewise remarks on the additional duty imposed on him in consequence of the Vessel being required to carry Deck private passengers.

2. The "Coromandel" and "Dalhousie" have both Medical Subordinates attached to them, and as the work required of the "Sydney" is of a character precisely similar to that assigned to them, I beg to recommend that one be attached to her also.

No. 12. ORDER THEREON, 23rd July 1859, No. 334.

The Director General, Medical Department, will detach an Apothecary, if one can be spared, for duty on Board H. M. Steamer "Sydney."

(Signed) T. PYCROFT,
Chief Secretary.
