*Proceedings of the Madras Government, Marine Department,  
from 6th to 12th August 1859.*

No. 26. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 9th August 1859, No. 3158.

£43-7-0. I have the honor to submit the accompanying Invoice from Mr. Thomas Clarke, a Merchant and Agent at Galle, for seven Coils of Coir Rope required for warping Vessels through the Paumben passage. In consequence of the old warps having become too much worn to be used with safety much longer, it was necessary that a fresh supply should be furnished without delay, and as they could be more readily obtained from Galle, I took upon myself the responsibility of ordering twelve Coils, of which those now in question form a part, and trust that Government will approve the proceeding and sanction payment of the Bill through the Ceylon Government.

2. I should explain that these Hawzers are made up expressly for us, and that I have been induced to order them from Mr. Clarke, from learning that he had been extensively employed in supplying Cables for the Bengal Pilot Vessels which require such articles of the very best manufacture.

No. 27. ORDER THEREON, 12th August 1859, No. 385.

The Ceylon Government will accordingly be requested to pay Mr. Thomas Clarke, Merchant and Agent at Galle, the amount of his Invoice, (£43-7-0,) forty-three Pounds and seven Shillings, for 7 Coir Hawzers. The Accountant General, to whom the original Invoice will be forwarded, will give that Government credit for the equivalent.

(Signed) T. PYCROFT,  
Chief Secretary.

SIR,

I am directed by the Honorable the Governor in Council to request that, with the sanction of the Government of Ceylon, the sum of (£43-7-0,) forty-three Pounds and seven Shillings may be paid to Mr.
