No. 16. Read the following letter from J. B. CROWTHER, Esq., Assistant Superintendent of Marine; to the Secretary to Government, Military Department, Fort Saint George, dated 13th August 1859, No. 3199.

The Steamer "Dalhousie" being now required to proceed to the Straits and return thence to Madras with any sick details who may be awaiting conveyance, I have the honor to solicit that the requisite instructions may be issued to Commander Hopkins.

2. After receiving here any details, &c., for whom passage is required, and taking in a few tons of Stores, the "Dalhousie" will need in the first instance to touch at Penang, where she will receive on board the Detachment intended for the relief at Malacca, these should be landed on her way to Singapore, after proceeding to Singapore and embarking the sick, the Steamer should again call at Malacca to take up the Detachment for Penang, whence, after landing these and receiving on board the sick of that station, Commander Hopkins should be directed to return to Madras.
