Fort Saint George, Marine Consultation, 8th February 1859.

No. 2. From J. R. BOYSON, Esq., Government Solicitor; to the Chief Secretary to Government, Fort Saint George, dated 21st January 1859, No. 62.

SIR,

Adverting to the Extract from Minutes of Consultation noted in the margin, I have the honor to state that as the question to which Mr. Forbes called attention in his letter to Government, of the 16th October last, appeared to me essentially a *Marine* and *not a legal one*, I assumed that Government would not look for any official communication from *me* unless I had any remark with which I thought it necessary to trouble Government, and the wording of the order confirmed me in this impression.

Lest, however, I am in error on this point I now beg to add that I sometime since saw the Superintendent of Marine's letter to Government of the 29th November last, No. 4807 and its enclosure, and at the same time discussed the matter personally with the Superintendent of Marine and that I quite concur in opinion with him and in the views expressed in his letter above noted.

No. 3. ORDER THEREON, No. 40; dated 2nd February 1859.

To be Recorded.

(Signed) T. PYCROFT,
Chief Secretary.
