*Proceedings of the Madras Government, Marine Department,
from 5th to 21st October 1859.*

No. 15. Read the following letter from J. B. CROWTHER, Esq., Assistant Superintendent of Marine; to the Chief Secretary to Government, Fort Saint George, dated 7th October 1859, No. 4061.

In anticipation that on the Steamer "*Dalhousie*" return from Cocanada she will at once be dispatched to Bombay, I have the honor to state that there are Stores, now awaiting conveyance to Bombay, as well as to Ports on the Malabar Coast, which it would be a great convenience to send by her, and would therefore solicit that in furnishing Commander Hopkins with instructions to proceed to Bombay, he may also be directed to receive these Stores on board, and touch at the different Ports on his way for the purpose of landing the same.

No. 16. ORDER THEREON, 10th October 1859, No. 504.

Government direct Commander Hopkins, on proceeding with the "*Dalhousie*" to Bombay, to take on board such Stores as may be sent him by the Superintendent of Marine for Bombay, and other ports, and to land them at the places for which they are destined.
